Pittsburgh Yardmaster 7:00p 11:15p AJ Parrish/AG Cole

Washington Yardmaster 7:00p 8:30p RL Miller

We had a great turnout with guest Roy Ward and potential new operator Chad Evans.

We got off to a slow start but things picked up as the evening progressed. Note that, except for the unit train at the steel mill (599), not a single industry was switched. We landed right in that spot in the middle of the schedule with all the through trains. That does not mean the yard crew was idle, however!
