Dispatcher		Weinheimer RM
Pittsburgh Yardmaster		Weinheimer RM
Washington Yardmaster		Parrish AJ

Work schedules, family commitments, proximity to Christmas, and an ominous weather forecast all contributed to our smallest crew ever. We gabbed, programmed Tony Parrish's new engines then finally got started around 7:45. We hit a good stopping point about 9:15 and called it a night. The dispatcher was derelict and did not record train times.

We hope to be back in January with a full crew of guys starving for operation.
